

## FOLK MAGAZINE n. 6

This year I was in Poland for Erasmus plus. I stayed in a host family with one of my friend of Italian team for a week. I left on 21st of May and I came back to Italy on 28th of May with teachers of my school. During this week, I visited and I saw some Poland's city like Lodz, Lowicz, Michalowka, and Warsaw (Poland's capital). In Lodz we saw a lot of important palaces and Piotrkowska, is one of the most important streets of Europe because it is one of the longest, is half-restored and the other half is still being worked on.

We saw a lot of monuments and museums. In Lowicz we visited a museum and we saw folk costumes. I like this clothes so much because they are very colorful and particular.

Then we did workshop, we used a loom and this workshop was very fun and difficult because you had to learn a technique to use the loom.

Me and Laura stayed in a host family, they were hospitable, sweet and nice and we were very lucky to stay in their house and to meet this family. We love Aniaso much and we are so thankful.

We met a lot of friends from different countries and we also stayed with the Spanish team, we knew Maria from Spain, Alfonso from Portugal and Lina and Nica from Croatia. We are so happy because we have taken part of this project and we learnt a lot of Polish folk.
