

"La Quadriglia"

This year, at the end of the "Erasmus Plus" project, some students of the class II C: Anselmo Francesco, Calderaro Sofia, Caleca Giuseppe, Campo Sjria, Castiglione Martina, Daidone Laura, Domingo Giulia, Grammatico Serena, Ingrassia Federica, Martinez Gabriele, Naso Aurora, Nicosia Giovanna, Pace Andrea, Simone Desirè, Tagliavia Antonino and of the class I C: Gandolfo Daniele, Genova Salvatore, Mazzara Francesco and Stetea Madalin, prepared a typical Sicilian dancing: "La Quadriglia".

For this occasion, we asked the collaboration of Mr Mazzara, an important entertainer and the manager of the recreation centre for the elderly in Fulgatore.

The students, accompanied by the teachers Mr Stinco and Mrs Marchingiglio, went to the recreation centre for the elderly for a couple of days to prepare the dance.

On 1ST June, Mr Stinco filmed our performance.

It was a very interesting and engaging experience .

We enjoyed very much doing this activity and we are sure that it will be useful to make our traditions known to the foreign students who participated at the project.
