

Atalyja

Atalyja ("The rain is coming") is a Lithuanian folk-rock music band. It seeks to popularize archaic Lithuanian folklore and bring the ancient songs closer to the contemporary listener. The band's creations boast a big variety of musical styles, rich tonal palette and unique and ingenious arrangements. The ancient melodies are enriched with elements of rock, jazz, funk, blues rock, metal and Indian music. Atalyja regularly participates in music festivals and fests.
