Small Explorers In a Magical World of European Folk Culture

- Christmas tradition
- Small explorers on folk
- Hey, Christmas Carols
- Pottery workshop

The traditions of Christmas in our school are cultivated for a long time. Like in previous years, on December this year, students from class IIIb, together with Religion teacher, prepared the cribs. We celebrated Christmas traditions. Girls from 3rd grade, dressed in folk costumes, were telling the story of the birth of Jesus Christ. In the colorful parade figures of the Holy Family, shepherds and three kings.

Finally, we were invited by children from 4th a grade, their teacher and parents, for a special Christmas Dinner. Christmas tree was shining in different colours, lovely laid table with holy bread and free place for wanderer, introduced us with Christmas

time.

In this way, carolers from class IVa, began their performance - "Meeting with tradition", which they prepared together with tutor, Mrs. Halina Cwen, and music teacher. Children on Art lesson made useful crops, learnt about customs. During Music and Polish lessons pupils were singing pastore, folk songs, listening to folk music. Their work we could appreciate during their show on a stage.
