# Travels

## *During this course*

Students and teachers have traveled to know about the cultures of our partner countries.

### TRIP TO PORTUGAL

Jose Bueno and Marta Sierra were the teachers who travelled to Portugal for the first meeting.

There they talk about the activities they would do during the course and the following meetings they would have.

In Portugal both students and teachers visited different places where they saw and learned about their culture.

### TRIP TO TURKEY.

The teachers who went to the second meeting in Turkey were Marta Sierra and Julio Zorilla.

They visited their schools and learned about their educational system, they tasted their food and saw many interesting things about their culture.

### TRIP TO SPAIN

The trip to our country has been very nice. We really enjoyed with their visit. We tried to do our best. We performed a concert to

welcome them. We show them our costumes and also our city and museums.

## *Andalusian song and dances*

Students and teachers work together to welcome our partners. The main objective was to show them our traditional songs and dances. It has been a very nice spectacle. Students, teachers and many people have come to participate in the performance. Below, you can see the pictures:

-El vito.

-Malagueña

-sevillana. Sueña la margarita

-rumba. Ni mas ni menos

-rumba. Cuando te beso

Paco, our music teacher, has been preparing with the students and people (who wanted to participate from the very beginning) the programming of the performance.

Singers:

-Jesus Vera.

Jesus Vera is an old student of IES Licinio de la Fuente. He loves singing flamenco. He came to sing some of our traditional flamenco songs.

- 4 ESO A and 4 ESO B students and students from others clases were singing, dancing and playing different instruments.

- Teachers.

At the end of the festival the Spanish teachers got up on the stage and they sang Clavelitos “Carnation” a typical Spanish song which is usually played by La Tuna.
