

MASCOT COMPETITION

The Erasmus+ project mascot competition was announced at our school in January. The pupils created a mascot which represented the topic of our project “Small explorers in a magic world of the European folk culture”. In the last week, first we chose the best mascot among our students in the project team. The jury of the project team chose the best of the mascots. Begüm TANGAL from the 7th grade became the winner.

The Best Mascot in our school is Begüm TANGAL'S:

After all our partners mascots were chosen, we gathered with our pupils in Erasmus+ Project Team on the 8th of February in order to vote for the best mascot of “Small explorers in a magic world of European folk culture”. Our pupils first looked at all the mascots of the 7 countries on the screen. Then, they looked at them one by one and we voted for each mascot (except ours) with 33 students. In the end of first voting, they couldn't decide the best one. Then we voted again and the best mascot was chosen by our 33 students. Out of 33, 29 students chose this mascot as the best one among them.
